

2007 – 2008

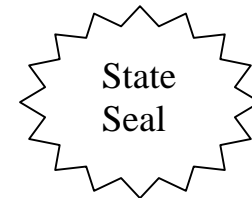

Poll Worker Training and Awareness

This certificate of accomplishment is awarded to

Poll Worker Name

for successfully completing the poll worker training and awareness curriculum, a program of the National Federation of the Blind, developed with assistance from the Help America Vote Act grant. Congratulations; you have successfully learned how to manage nonvisual election technology in your state and how to work professionally and courteously to assist blind and visually impaired voters to cast a secret ballot privately and independently.
