Wondering what to do with your old car or truck?

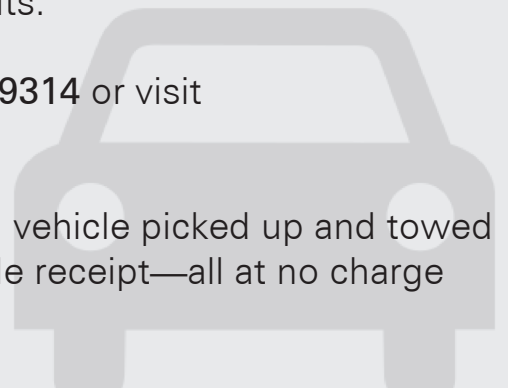

Donating your vehicle to the National Federation of the Blind is convenient, easy,
and may qualify you for a tax deduction

And best of all, your donation of a used vehicle will ensure a brighter future
for all blind children and adults.

All you need to do is call 1-855-659-9314 or visit
www.carshelpingtheblind.org

We will arrange to have the donated vehicle picked up and towed
and provide you with a tax-deductible receipt—all at no charge
